

Riders on the Storm (Lenny Krarup Remix)

The Doors

Riders on the storm, riders on the storm
Into this house we're born, into this world we're thrown
Like a dog without a bone, an actor out on loan
Riders on the storm There's a killer on the road, his brain is squirming like a toad
Take a long holiday, let your children play
If ya give this man a ride, sweet family will die
Killer on the road, yeah Girl ya gotta love your man, girl ya gotta love your man
Take him by the hand, make him understand
The world on you depends, our life will never end
Gotta love your man, yeah Riders on the storm, riders on the storm
Into this house we're born, into this world we're thrown
Like a dog without a bone, an actor out on loan
Riders on the storm
