# Got You (Where I Want You)

## The Flys

Hey, what's the point of this? Oh hey
What's your favorite song? Maybe we could hum alongWell, I think you're smart, you sweet thing
Tell me your name, I'm dying hereAh hoo, got you where I want you, again
Got you where I want you, againHey, maybe just a smile, oh hey, did you know
That I can dance? Could we talk for awhile?Well, I think you're smart, you sweet thing
Tell me your sign, I'm dying hereAh hoo, got you where I want you, again
Got you where I want you, where I want you, I want youSuffer, suffer, you know you get no rubber,
Gone with a pretty girl, changing me like no other
Suffer, suffer, you dont get no rubber
Would you like a minute to put that thing on your lover?Ah, I think youre smart, you sweet thing
Tell me your name, Im dying hereAh hoo, suffer, suffer, you know you get no rubber
Gone with a pretty girl, changing me like no other
Suffer, suffer, you dont get no rubber
Would you like a minute to put that thing on your lover?
Put that thing on your lover?Got you where I want you, yeah, got you where I want you
Yeah, got you where I want you want you, want you
Got you where I want you, got you where I want you
Got you where I want you
