

# Skin Divers (without Timbaland)

## Duran Duran

Walking under skies  
Waiting for the fall  
Meet me at the cornershop  
I'll show you it all  
Free you of your mind  
Something you wont find  
In the west-end pages  
With your google dirty fingersIt's a skin dive  
In deep silence we are  
Going underwater  
It's a lifeline  
Teardrop, bullets, all night  
Dip into the waterBaby, that's what it feels like  
When you come up for air  
When you come up for air  
You feel brand new  
When you come up for air  
When you come up for air  
That's what it feels like  
When you come up for air  
When you come up for air  
You feel brand new  
When you come up for air  
When you come up for airWipe us of the face  
Of the human race  
Whichever way you look  
It's indisposed or disgraced  
Fighting on the shore  
The hoi polloi want more  
Howling bloody murder  
But it's nothing just a murmurIn your skin dive  
In deep silence we are  
Going underwater  
It's a lifeline  
Teardrop, bullets, all night  
Slip into the waterBaby....that's what it feels likeWhen you come up for air  
When you come up for air  
You feel brand new  
When you come up for air

When you come up for air  
That's what it feels like  
When you come up for air  
When you come up for air  
You feel brand new  
When you come up for air  
When you come up for air  
A blushing rose is torn  
From these sugar walls  
I've misplaced my future  
Could I please borrow yours?  
Panic on the scene  
You know what I mean  
Anything you want to be  
The only thing you want from me  
Is skin dive  
In deep silence we are  
Going underwater  
It's a lifeline  
Teardrop, bullets, all night  
Go inside the water  
Babygirl you're swimming  
A little too deep  
So deep... That I think you might hit a reef  
I think you low on oxygen  
And you're too glad to leave  
Babygirl swim to the top  
Grab my hand and hold me and breathe  
Baby... That's what it feels like  
When you come up for air  
When you come up for air  
You feel brand new  
When you come up for air  
When you come up for air  
That's what it feels like  
When you come up for air  
When you come up for air  
You feel brand new  
When you come up for air  
When you come up for air
