Slow Down

Anita O'Day

Well, come on pretty baby won't you walk with me
Come on pretty baby won't you talk with me
Come on pretty baby give me one more chance
Try and save our romance
Slow downBaby, now you're moving way too fast
You got to give me little loving
give me little loving
Ow, if you want our love to lastWell I used to walk you home baby after school
Carry your books home, too
But now you got a boyfriend down the street
Baby what're you trying to do a do
You better slow downBaby, now you're moving way too fast
You got to give me little loving
give me little loving
Brrr, if you want our love to lastWell you know that I love you, tell the world I do
Come on pretty baby, why can't you be true
I need you badly, baby, oh so bad
The best little woman I ever had
Slow downBaby, now you're moving way too fast
You got to give me little loving
give me little loving
Ow, if you want our love to last
