

Struggling Man

Midge Marsden

Everyman has a right to live
Love is all that we have to give
Together we struggle by your will to survive
Then together we fight just to stay alive
Struggling man has got to move
Struggling man, no time to lose
I'm a struggling man
And I've got to move on
As the sun lights the day and the moon lights the night
Struggling man keeps reaching for the higher heights
So we plan for tomorrow as we live for today
Like a flower we bloom and then later fade away
Struggling man has got to move
Struggling man, no time to lose
I'm a struggling man
And I've got to move on
Struggling man has got to move
Struggling man, no time to lose
I'm a struggling man
And I've got to move on
Struggling man, struggling man
Struggling man, struggling man
Struggling man, struggling man
