

You've Really Got a Hold On Me

Eddie Money

Hey
Got a hold on me
Hey You know I don't like you
But I love you
Seems like I'm always
Thinking of you Oh, girl, I love you madly
You treat me badly
You really got a hold on me
Really got a hold on me
Really got a hold on me
Really got a hold on me Baby, I don't want you
But I need you
I don't want to kiss you
But I need to Oh, yeah, you do me wrong now
But my love is so strong now
'Cause you really got a hold on me
Really got a hold on me
How come you've got a hold on me
Really got a hold on me Baby, I love you
All I want you to do
Is just hold me, hold me I want to leave you
Don't want to stay here
Don't want to spend
Another day here Oh, girl, I want to split now
But I just can't quit now
'Cause you've really got a hold on me
Really got a hold on me You really got a hold on me
Really got a hold on me
You really got a hold on me
You really got some kind of hold on me How come? I don't know, but
You've got some kind of hold on me, baby
You know you do, you know you do
You got some kind of hold on me You really got some kind of hold on me
Ah, you got a hold on me
Oh, you know you do, you know you do
You got some kind of hold on me
