Call Girl

Daze

You say that, "I'm your girl"
And you tell me that, "I'm your little sugar honey bunch"
But I don't feel safe with you
'Cause in your world there's a lot of sugar honey bunchI'm not that type of girl, you need, oh no, no no
My friends keep telling me again and again and againI'm not your call girl, I'm not your call girl, I'm not your call girl
I'm not your call, call-girl in the night, you have to prove yourself
Or I ain't gonna be your little sugar honey bunch
I hope that you can do it
'Cause I really wanna be a little sugar honey bunchI'm not that type of girl, you need, oh no, no no
My friends keep telling me again and again and again
