

Around You

Lakefield

Sorry to find out about it
Sorry to fall down, unstable

Someday we can stop the fighting / Someday we can make it right
In time we can end the crying / In time we will love, we might
One day we can laugh about it / One day we can talk all night
Maybe we can look back on this / Maybe I could wrap around you tight

I was about to lose my mind forever
But, in time, I put it all back together

Someday we can stop the fighting / Someday we can make it right
In time we can end the crying / In time we will love, we might
One day we can laugh about it / One day we can talk all night
Maybe we can look back on this / Maybe I could wrap around you tight

Around you, around you / Maybe I could wrap around you tight
Around you, around you / Maybe I could wrap around you tight

Maybe I could wrap around you tight

Around you, around you / Maybe I could wrap around you tight
Around you, around you / Maybe I could wrap around you tight
Around you, around you / Maybe I could wrap around you tight
Around you, around you / Maybe I could wrap around you tight
