

# All I'm Saying

James

I'm dreaming of you  
You are free of all the pain  
You kept from me  
Your gaze is strong I'm dreaming of you  
With those black brown eyes  
That seem to see  
Right through me  
Your wise half smile I'm talking to no one  
I'm talking to no one  
No one but you  
You who've moved on I'm talking to no one  
I'm talking to no one  
No one but you  
Now the raven has gone Ride a wave, ride a wave from our birth to the grave  
Ride a wave, ride a wave from our birth to the grave  
Hard to trust, hard to trust to change  
Ride a wave, ride a wave from our birth to the grave  
Ride a wave, ride a wave from our birth to the grave  
Hard to trust, hard to trust to change I'm talking to no one  
I'm talking to no one  
No one but you  
Now the raven has gone  
I'm missing you  
And your laugh that opened all the worlds to view  
We never said goodbye  
I'm dreaming of you  
In a multiverse of meaning  
Fractal shards  
From a distant star Ride a wave, ride a wave from our birth to the grave  
Ride a wave, ride a wave from our birth to the grave  
Hard to trust, hard to trust to change All I'm saying, all I'm saying, all I'm saying, all I'm saying  
I'm missing you Holding a seance  
Speak with the dead tonight  
All I'm saying, all I'm saying, all I'm saying  
Holding a seance  
Meet you in dreams tonight  
All I'm saying, all I'm saying, all I'm saying, all I'm saying I'm missing you and all the worlds you opened up  
to view  
I love you

See you next time
