Find Another Fool

Quarterflash

I should have learned this lesson long ago
That friends and lovers always come and go
And now you claim
that everything's "O.K.", but I've got just one thing to say...Why don't you...
Find another (find another)
Find another fool to love you
Find another (find another)
Find another fool to love you
Find another...find another...find another fool...to love you
To love you...find another.....I don't believe that I deserve this ride
Youtook me for my very heart and pride
You let me down...and now your hand is out
Well, here's some...spare change...you can countRepeat ChorusYou pulled this once...you pulled it twice
It's time you listened to my advice....oh, babyI'd never take advantage of our love
I can't imagine what you're thinkin' of
You're over due...you think this storm is through..
Well, baby, I've got news for youRepeat Chorus
