Baby Now I

Dan Reed Network

Baby now I.
I got a heart full of emotion.Baby now I.
Dive into your ocean.Baby now I.
Would pull down the heavens for you.Baby now I.
Just so I can get through.You got me runnin' well girl I got something for you.
You got me burnin' well girl you know it's true.
Baby now I. I do it baby now I do it all. Ooh I do it all for love.
Baby now I. I do it baby now I do it all. Ooh I do it all for love.Baby now I.
I Would run along the sharpest blade.Baby now I.
Long to lie in your shade.
You got me runnin' well girl I got somethin' for you.
You got me burnin' well girl you know it's true.Baby now I. I do it baby now I do it all. Ooh I do it all for love.
Baby now I. I do it baby now I do it all. Ooh I do it all for love.
