# Think Twice

## EVE 6

When all is said and done
And dead does he love you
The way that I do
Beathing in lighting
Tonight's fighting
I feel the hurt so physicalThink twice before you touch my girl
Come around I'll let you feel the burn
Think twice before you touch my girl
Come around come around no more
Think twice before you touch my girl
Come around I'll let you feel the burn
Think twice before you touch my girl
Come around no moreShe spreads her love
She burns me up
I can't let go
I can't get out
I've said enough
Enough by now
I can't let go
I can't get outWait till the day you finally see
I've been here waiting patiently
Crossing my fingers and my t's
You crying on my shoulder begging pleaseThink twice before you touch my girl
Come around I'll let you feel the burn
Think twice before you touch my girl
Come around come around no more
Think twice before you touch my girl
Come around I'll let you feel the burn
Think twice before you touch my girl
Come around no moreShe spreads her love
She burns me up
I can't let go
I can't get out
I've said enough
Enough by now
I can't let go
I can't get outWhat is it you really want
I'm tired of asking
You gone, I'm wastedWhen I showed up and he was there

I tried my best to grin and bear
And took the stairs but didn't stop at the street
And as we speak I'm going downCause she spread her love
And burnt me up
I can't let go
I can't get out
I've said enough
Enough by now
I can't let go
I can't get outThink twice before you touch my girl
Come around I'll let you feel the burn
Think twice before you touch my girl
Come around come around no more
Think twice before you touch my girl
Come around I'll let you feel the burn
Think twice before you touch my girl
Come around no more
