# Priests of Sodom

## Cannibal Corpse

The blackened city calls out
Enter the temple of sin
You must enter the temple of sinContorted sinners beckon
Join our twisted rites
You must join our twisted ritesThe priests eyes gleam
Blood on their scepters of flesh
There is blood on their scepters of fleshThe nubile virgin bows
Await the piercing thrust
She awaits the piercing thrustPerverse rites
Priests of Sodom preside
We are damned
Praise the gods of sinHer walls are burning
Grinding the staff of the priest
Sluts grinding the staff of the priestThe congregation
Revel in sins of the flesh
They revel in sins of the fleshWhores from the temple
Serving shamanic desire
They are serving shamanic desireDeviant bodies writhing
Slick with the fluids of lust
They are slick with the fluids of lustPerverse rites
Priests of Sodom preside
We are damnedImmortal lust
Wicked legions come forth
Defile the pureStatues of demons glisten with sweat
The orgy intensifies violence begins
Flagellate sluts with serpentine whipsThey raise their blades to throats of their men
Climax approaches and the blood will spill
Sexual sacrifice, mutilation and death
MurderPriests of Sodom
Priests of Sodom
Priests of Sodom
Priests of Sodom
Priests of SodomPerverse rites
Priests of Sodom preside
We are damnedImmortal lust
Wicked legions come forth
Defile the pure
