Taste

Semi Precious Weapons

I gotta mouth and she's wet
I gotta mouth and she's wet
I gotta mouth and she's wet

And I'm pretty sure you wanna touch it

I can't wait until I taste you
I can't wait until I taste you

I gotta smile and she's sore
I gotta smile and she's sore
I gotta smile and she's sore

And in 10 minutes
She better be yours
I can't wait until I taste you
I can't wait until I taste you
Let's do something grownups do
I can't wait until I taste you
I gotta hand and he's strong

And I'm pretty sure
He wants you to play along
I can't wait until I taste you
I can't wait until I taste you
Let's do something grownups do
I can't wait until I taste you

Ah ah ah uh uh
Ah uh ah uh
Ah uh uh ah
Ya ya ya ya yeah yeah
