

# Falling

Julee Cruise

Don't let yourself be hurt this time  
Don't let yourself be hurt this time Then I saw your face  
Then I saw your smile The sky is still blue  
The clouds come and go  
Yet something is different  
Are we falling in love? Don't let yourself be hurt this time  
Don't let yourself be hurt this time Then your kiss so soft  
Then your touch so warm The stars still shine bright  
The mountains still high  
Yet something is different  
Are we falling in love? Falling, falling  
Are we falling in love?  
Falling, falling  
Are we falling in love?
