The One and Only

Thomas Helmig

So many promises
So many reasons
Not to believe a word of what you hear
So little dream working
So much truth
That you have every reason in the world to fear
So many reasons to be disillusioned
So many hearts trapped
But it all seems to disappear
When you love somebody like I love you
When the one and only comes passing throughSo many big ones falling apart, in a landslide of misery
So many little ones looking up at mummy and dads saying
"Excuse me but what about me"
So many ways to be disappointed
So little time to heal the wounds
But it all seems to disappearWhen you love somebody like I love you
When the one and only comes passing throughEven though I've been with someone
I've been feeling
so lonely for so long
So much entertainment
So many regrets
But it all seems to disappear
When you love somebody like I love you
When you really, really love somebody
When the one and only comes passing through
When you really, really love somebody
