

Summer Moonlight (Mark Ursa Remix)

Bob Sinclar

Summer lady youre a breath of afresh air
Blowing gentle breezes as you touching my hair
Touch my spirit like a summer moonlight
Kisses on a shore be my lover tonightSummer lady youre a breath of afresh air
Blowing gentle breezes as you touching my hair
Touch my spirit like a summer moonlight
Kisses on a shore be my lover tonightSummer lady youre a breath of afresh air
Blowing gentle breezes as you touching my hair
Touch my spirit like a summer moonlight
Kisses on a shore be my lover tonightTouch yeah
Touch gentle
Touch yeah
Touch gentle
Touch
Touch yeah
Touch gentle
Touch yeah
Touch gentle
TouchSummer lady youre a breath of afresh air
Blowing gentle breezes as you touching my hair
Touch my spirit like a summer moonlight
Kisses on a shore be my lover tonightSummer lady youre a breath of afresh air
Blowing gentle breezes as you touching my hair
Touch my spirit like a summer moonlight
Kisses on a shore be my lover tonightSummer lady youre a breath of afresh air
Blowing gentle breezes as you touching my hair
Touch my spirit like a summer moonlight
Kisses on a shore be my lover tonight
