Hyperion

Quicksand

All your tears have fallen
Down by love exploding
Jealousy's erupted
You won't drown, I know it
I know itIt's like woe, cold betrayal
Makes me feel so unstable
Hard to read encrypted
Carry on unscripted
Right
Float away
Three times nine, like the sun
Shine, shout to a hurricaneAll your tears have fallen
Down by love exploding
Jealousy as you wanted
To hold on to someone elseFloat away
Three times nine
Float away
Like the sun
Shine
Shout to a hurricaneFloat away
Float away
Float away
