Quicksand

All your tears have fallen
Down by love exploding
Jealousy's erupted
You won't drown, I know it
I know it It's like woe, cold betrayal
Makes me feel so unstable
Hard to read encrypted
Carry on unscripted
Right
Float away
Three times nine, like the sun
Shine, shout to a hurricane All your tears have fallen
Down by love exploding
Jealousy as you wanted
To hold on to someone else Float away
Three times nine
Float away
Like the sun
Shine
Shout to a hurricane Float away
Float away
Float away
