

Boys And Girls (Smallville_OST)

Good Charlotte

Educated with money
He's well dressed not funny
And not much to say in most conversations
But he'll foot the bill in all situations 'Cause he pays for everything
Girls don't like boys
Girls like cars and money
Boys will laugh at girls when they're not funny Paper or plastic
Don't matter she'll have it
Vacations and shopping sprees
These are a few of her favorite things She'll get what she wants if she's willing to please
His type of girl always comes with a fee
Hey now there's nothing for free
Girls don't like boys Girls like cars and money
Boys will laugh at girls when they're not funny
And these girls like these boys
Like these boys like these girls The girls with the bodies like boys with Ferrari's
Girls don't like boys
Girls like cars and money All of these boys and all of these girls
Are losing their souls in a material world
