

# Sharks

## Brothers Through The Hill

Sharks live on the elevator, baby

    If you want a ride

    I don't even wanna

Coz sharks live on the elevator baby

    If you want a ride

    I don't even wanna

    Baby, it's a long time comin'

    Baby, it's a long time runnin'

Sharks live on the other side of town

    If you wanna go

    I don't even wanna

Sharks live on the other side of town

    If you wanna go

    I don't even wanna

    Baby, it's a long time comin'

    Baby, it's a long time runnin'

        Badaba badaba

        Badaba badaba

        Badaba badaba, yeah

Sharks live on the elevator, baby

    If you want a ride

    But I don't even wanna

    Baby, it's a long time comin'

    Baby, it's a long time runnin'

    Baby, it's a long time comin'

    Baby, it's a long time runnin'

        Away
