

# Who Wants To Live Forever

[Sarah Brightman](#)

There's no time for us  
There's no place for us  
What is this thing that builds our dreams  
Yet slips away from us? Who wants to live forever?  
Who wants to live forever, who? There's no chance for us  
It's all decided for us  
This world has only one sweet moment  
Set aside for us Who wants to live forever?  
Who wants to live forever, who? Now touch my tears with your lips  
Touch my world with your fingertips  
And we can have forever  
And we can love forever  
Forever is our today Who wants to live forever?  
Who wants to live forever, who? Who waits forever anyway?
