

# Conjuring the Unnamable

## Necrophagia

Invoked upon alters  
Abominated waters Stained with blood  
The devil times five Purify the beast  
Unforgiven  
Let the shackles crack  
Rise  
The cleansing pain (of birth)  
Abominated kingdoms fall  
Death comes slowly Absinth falls like rain  
Succubus child awaken  
Do you feel alive Black heart beating  
Midnight necromancy I invoke thee  
With no name I invoke thee  
I invoke thee
