Deep Water

Alisan Porter

[Verse 1]
I am a child, hungry and wild
Trying to find my way home
You are a traveller, walking in the shadows
Finding your way on your own[Pre-Chorus]
But here in the night
We found the light
When you, baby, put your hand in mine[Chorus]
So take me, save me
This lost rolling stone
Don't wanna swim these deep waters alone[Verse 2]
To many wonder, wounded, not wanted
That's where I was before you
And I was there reaching, for what you were seeking
And now we've got too much to lose[Pre-Chorus]
So don't let me go
Let's walk the unknown
Won't you baby, keep your hand in mine[Chorus]
Take me, save me
This lost rolling stone
Don't wanna swim these deep waters alone[Bridge]
Deep water, deep water
Don't let it pull us apart
Deep water, deep water
Baby, I'm safe in your arms[Chorus]
So take me, save me
This lost rolling stone
Don't wanna swim these deep waters
Take me, save me
This lost rolling stone
Don't wanna swim these deep waters (swim these deep waters)
Don't wanna swim these deep waters
All alone
