

The Immortal Dub

King Tubby

So this is who I am
And this is all I know
And I must choose to live
For all that I can give
The spark that makes the power grow
And I will stand for my dream if I can
A symbol of my faith in who I am
But you are my only
And I will follow
On the road that lies ahead
And I won't let my heart control my head
But you are my only We don't say goodbye
We don't say goodbye
And I know what I've got to be [Chorus]
Immortality
I make my journey through eternity
I keep the memory of you and me inside Fulfill your destiny
It's there within the child
My storm will never end
My fate is on the wind
The king of the hearts, the jokers wild We don't say goodbye
We don't say goodbye
I make them all remember me 'Cause I have found a dream that must come true
Every ounce of me must see it through
But you are my only
I'm sorry I don't have a role for love to play
Hang over my heart; I'll find my way
And I will make them give to me [Chorus] We don't say goodbye
We don't say goodbye
With all my love for you
And what else we may do We don't say
Goodbye
