

# Mean Red Spider

## Muddy Waters

I got a mean red spider, and she been webbin' all over town  
I got a mean red spider, and she been webbin' all over town  
I'm gonna get me a mean black spider, so I can tear her cobweb down  
I got a break comin', no need for me to moan  
I got a break is sho' comin', no need for me to moan

That's jus' a mean red spider, she's breakin' up my happy home  
All right stop this stuff man  
Go ahead man  
If I don't go crazy, I will surely lose my mind  
Well you know if I don't go crazy, I will surely lose my mind  
That's jus' a mean red spider, and she jus' bother me all the time
