

# Androgyny

## Garbage

When everything is going wrong and you can't see the point of going on  
Nothing in life is set in stone there's nothing that can't be turned around

Nobody wants to be alone, everybody wants to love someone  
Out of the tree go pick a plum, why can't we all just get along?

Boys, boys in the girl's room  
Girls, girls in the men's room  
You free your mind in your androgyny

Boys, boys in the parlor  
Girls, they're getting harder  
I'll free your mind in your androgyny  
No sweeter a taste that you could find  
Than fruit hanging ripe upon the vine  
There's never been an oyster so divine  
A river deep that never runs dry

What you need, what you need, what you need, what you need  
What you need, what you need, what you need, what you need  
What you need, what you need, what you need, what you need

The birds and the bees they hum along  
Like treasure they twinkle in the sun  
Get on board and have some fun  
Take what you need to turn you on

Boys, boys in the girl's room  
Girls, girls in the men's room  
You free your mind in your androgyny  
Boys, boys in the parlor  
Girls, they're getting harder

I'll free your mind, I'll free your mind, I'll free your mind, I'll free your

Boys, behind closed doors and under stars  
Girls, it doesn't matter where you are  
Boys, collecting jewels that catch your eyes  
Girls, don't let a soul mate pass you by  
Boys in the girl's room, girls in the men's room

You free your mind in your androgyny  
Boys in the parlor, they're getting harder  
I'll free your mind, I'll free your mind  
Boys in the girl's room, girls in the men's room  
You free your mind in your androgyny  
Boys in the parlor, they're getting harder

I'll free your mind, I'll free your mind, I'll free your mind, I'll free your

Boys, girls  
Boys, girls
