

Drivin' Around

Little Big Town

Drivin' around
Just me and all my best friends
All over town
No special place to go
Never a doubt
We get this party started
No one around
It's just us on the road
So come on and ride with us
All aboard the magic bus
We're drivin' around
Just, just, just, drivin' around Everybody askin' me where I'm goin'
As if I could answer that
Holdin' their hands up, shakin' their heads but
I'm never lookin' back
Don't you wanna cruise?
Without needin' a reason why
As the sunset paints the sky 'cause
There's just nothin' like turnin' up the radio
Lookin' out the window
Watching the world go by
Killin' time, when time won't die
And that's why I'm Drivin' around
Just me and all my best friends
All over town
No special place to go
Never a doubt
We gonna get this party started
No one around
It's just us on the road
So come on and ride with us
All aboard the magic bus
We're drivin' around
Just, just, just, drivin' around Leave all your worries
Nevermind your cares
Thinkin' 'bout work on Monday
Only gonna take you where the sun don't shine
And we all came here to have a good time
So, let's have a good time Everybody askin' me where I'm goin'

As if I could answer that
Holdin' their hands up, shakin' their heads but
I'm never lookin' back
Don't you wanna cruise?
Without needin' a reason why
As the sunset paints the sky 'cause
There's just nothin' like turnin' up the radio
Lookin' out the window
Watching the world go by
Killin' time, when time won't die
That's why I'm Drivin' around
Just me and all my best friends
All over town
No special place to go (no special place to go)
Never a doubt
We gonna get this party started (we gonna get this party started)
No one around
It's just us on the road
So come on and ride with us
All aboard the magic bus
We're drivin' around
Just, just, just, drivin' around
