

For the Love of a Daughter (Original Old Demo)

Demi Lovato

Four years old
With my back to the door
All I could hear
Was the family war
Your selfish hands
Always expecting more
Am I your child?
Or jut a charity award? You have a hollowed out heart
But it's heavy in your chest
I tried so hard to fight it but it's hopeless
Hopeless
You're hopeless
Oh father
Please father
I'd love to leave you alone
But I can't let you go
Oh father
Please father
Put the bottle down
For the love of a daughter It's been five years
Since we've spoken last
And you can't take back
What we never had
I can be manipulated
Only so many times
Before even I Love You
Starts to sound like a lie You have a hollowed out heart
But it's heavy in your chest
I tried so hard to fight it but it's hopeless
Hopeless
You're hopeless
Oh father,
Please father
I'd love to leave you alone
But I can't let you go
Oh father
Please father
Put the bottle down
For the love of a daughter Don't you remember I'm your baby girl?

How you push me out of your world?
Lied to your flesh and your blood
Put your hands on the ones that you swore you loved
Don't you remember I'm your baby girl?
How could you throw me right out of your world?
So young when the pain had begun
Now forever afraid of being loved Oh father
Please father
I'd love to leave you alone but I can't let you go
Oh father
Please father
Put the bottle down
For the love of a daughter
For the love of a daughter
