

Wake up Sally

Francis Wolf

Wake Up Sally

Wake Up Lil' Sally
It's Time For You To Go
Last Night Was A Blast
But It's Time For You To Go

Wake Up Lil' Sally
You Were More Than Just A Crush
All The Things We Did
And The Mess We Made
The Sheets Will Need A Wash

All This Time What I Want To Do
Was Keep Warm Every Night
All These Strange Women
I Do Not Even Like

It's Okay If You Knew
All The Things I Keep From You
It's Okay If You Only Knew

Wake Up Lil' Sally
It's Time For You To Go
The Sun Is Up And The Traffic's Tough
Still Off To Work You Go

You Kissed Me On The Cheek
As You Walked Out Of The Door
Now I'm Wondering If You're Being Nice
Cos I Don't Know Anymore

It's A Shame You Never Knew
All The Things I Keep From You
It's A Shame You Never Knew

Wake Up Lil' Sally
It's Time For You To Go
These Random Texts And Midnight Calls

I Cannot Anymore

Wake Up Lil' Sally
It's Time For You To Go
All The Nights I Wish You Were Here
All The Nights I Wanted You To Go

It's Okay If You Knew
All The Things I Keep From You
It's Okay If You Never Knew
I Love You
