

Rock the Boat (Barnacle Bounce Remix)

Aaliyah

Boy you know you make me float
Boy you really get me high, hoo
I feel like I'm on dope
'Cause you, you serve me on a regular
Boy we need to tie this rope
Before we drift any deeper
There now hold me close
Boy let's take this overboard now I want you to rock the boat
Rock the boat, rock the boat, rock the boat
Work it in the middle
Work the middle, work the middle, work the middle
Change positions
New positions new position, new position
Stroke it baby
Stroke it for me
stroke it for me, stroke it for me Ooh baby I love your stroke
'Cause you, cause you get me where I'm going
In a jury you'll get my vote
'Cause I believe
I believe you know just what you doing now
Baby now we can coast
Just don't get in a hurry
That's too slow
Go ahead and put that thing in overdrive I want you to rock the boat
Rock the boat, rock the boat, rock the boat
Work it in the middle
Work the middle, work the middle, work the middle
Change positions
New position, new position, new position
Stroke it baby
Stroke for me
Stroke it on me, stroke it on me I want you to rock the boat
Rock the boat, rock the boat, rock the boat
Work it in the middle
Work the middle, work the middle, work the middle
