Final Impact (Razormaid Mix)

Front Line Assembly

Hardened disciple
Feeling no pain
World domination
A restless dayA new dimension
A fatal impact
Disturbed conditions
Terror reigns[Chorus]
Pleasure constricts us
That is the way
Empty perversion
Crippled by fateHostile aggression
Resentful mentor
Our strength is growing
We're here to stayUnseen alliance
The sun is blackening
Memories fading
The final impact[Chorus]The skin starts tearing
Exposed the weakness
A piercing blunder
Holds no restraintDiverse communion
New revelation
A shrouded mortal
Bleeds all day
