Full Moon (Robert Miles Radio Edit)

Robert Miles

Full moon, child of tomorrow,
Full moon, free me from sorrow,
Full moon, lead me away into the night I'll follow you,
Over the dunes we will glide...Full moon, goddess of dreamers,
Failed saints, and unbelievers,
Full moon, lighting my way in the dark,
I'll follow you, over the wastelands of the heartSweet companion
I place my fate in your hands
Show me where the magic lies
Hidden in the sands...Wild as the wind,
Alchemist of pleasure,
Steal my breath away,
Lead me to my treasure...
