Handle With Care

Jenny Lewis

Been beat up and battered 'round
Been sent up and I've been shot down
You're the best thing that I've ever found
Handle me with careReputations changeable
Situations tolerable
But baby, you're adorable
Handle me with careI'm so tired of being lonely
I still have some love to give
Won't you show me
That you really care?Everybody's got somebody
To lean on
Put your body next to mine
And dream onI've been fobbed off and I've been fooled
I've been robbed and ridiculed
In Daycare Centers and night schools
Handle me with careBeen stuck in airports, terrorized
Sent to meetings, hypnotized
Overexposed, commercialized
Handle me with careI'm so tired of being lonely
I still have some love to give
Won't you show me
That you really care?Everybody got somebody
To lean on
Put your body next to mine
And dream onI've been uptight and made a mess
But I'll clean it up myself, I guess
Oh, the sweet smell of success
Handle me with care
