

# Handle With Care

Jenny Lewis

Been beat up and battered 'round  
Been sent up and I've been shot down  
You're the best thing that I've ever found  
Handle me with care Reputations changeable  
Situations tolerable  
But baby, you're adorable  
Handle me with care I'm so tired of being lonely  
I still have some love to give  
Won't you show me  
That you really care? Everybody's got somebody  
To lean on  
Put your body next to mine  
And dream on I've been fobbed off and I've been fooled  
I've been robbed and ridiculed  
In Daycare Centers and night schools  
Handle me with care Been stuck in airports, terrorized  
Sent to meetings, hypnotized  
Overexposed, commercialized  
Handle me with care I'm so tired of being lonely  
I still have some love to give  
Won't you show me  
That you really care? Everybody got somebody  
To lean on  
Put your body next to mine  
And dream on I've been uptight and made a mess  
But I'll clean it up myself, I guess  
Oh, the sweet smell of success  
Handle me with care
