

Foxy Foxy

Mott the Hoople

Baby, baby tried to phone you, they said you were gone
Baby, baby please come home to me where you belong
Foxy, Foxy, you're all I have to hold
Don't leave me alone, out in the cold Baby, baby how I missed you, my love grows so strong
Baby, baby wanna kiss you all night long
Foxy, Foxy, oh, you're all I'm living for
You're all I see, I need nothing more When I put my arms around you, I'll surround you
Make a vow to never see you sighing
Darling when you cry it makes me die Foxy, Foxy, oh, I need you every day
Not just when you want, not just when you say But I know I'll always love you
Stars above shine down upon you
Never leave me ever
Darling will you be forever true? Foxy, Foxy, come out tonight
Foxy, Foxy, it'll be alright
Foxy, Foxy, oh let me into your heart Foxy, Foxy, give me one more chance
Foxy, Foxy, give me one more dance
Foxy, Foxy, don't let them keep us apart Foxy, Foxy, don't neglect me
Foxy, Foxy, please don't reject me
Foxy, Foxy, don't let it end 'fore it starts Foxy, Foxy, oh oh oh oh
Foxy, Foxy, oh oh oh oh
Foxy, Foxy, oh oh oh oh
