

El Macho

Lisandro Meza

Your date has gone home
Now you're left on your own sweet own
Your tough talkin' friend
Split on you in the bitter end
And you look like a fine thing, Jerry
Yea you look like a fine thing, Jerry They say you're a star
That's what the boys all say you are
I don't see much TV
So you don't mean shit to me
But you look like a fine thing, Jerry
(You look)
Yea you look like a fine thing, Jerry
(You look) They got a name for people like you
Yea they do
They got a name for people like me too
El macho, el macho
El macho, el macho
Yeah Now they want you to sing
Don't get shy or anything
The boys are all here
Gonna buy you another beer
'Cos you look like a fine thing, Jerry
(You look)
Yea you look like a fine thing, Jerry
(You look) El Jerry
(El macho)
El macho
El macho
