Unbroken Promise

Erick Baker

Baby, take off your coat
And I'll loosen my tie
Well you are far too beautiful
For us to turn off the lights

Your December skin
And the trail of our clothes
You can keep your socks on
If your feet are cold

But I don't want
To have to ask permission
Give me a chance
It won't be perfect
Just an unbroken promise from an imperfect man

Your red wine tongue
My sudden loss of breath
You like the sound of my heartbeat
When you lay your head on my chest

But I don't want
To have to ask permission
Give me a chance
It won't be perfect
Just an unbroken promise from an imperfect man

So draw all the curtains
All the goodbyes are gone
Love found through love gone wrong
An unbroken promise from this broken man
To love you the best that I can

So baby, please take off your coat
Ohh and I'll turn on the lights
Cause baby I made plans
To stay the rest of my life
