

# Molly's Chambers

## Kings of Leon

Free that's all that she could bleed  
That's why she'll never stay  
White bare naked in the night  
And lookin' for some play Just another girl that wants to rule the world  
Any time or place  
And when she gets into your head  
You know she's there to stay You want it, she's got it  
Molly's chamber's gonna change your mind  
She's got your, your pistol  
Molly's chamber's gonna change your mind  
Molly's chamber's gonna change your mind Slow she's burnin' in your soul  
With whispers in your ear  
It's okay I'll give it anyway  
Just get me out of here You'll plead, you'll get down on your knees  
For just another taste  
And when you think she's let you in  
That's when she fades away You want it, she's got it  
Molly's chamber's gonna change your mind  
She's got your, your pistol  
Molly's chamber's gonna change your mind  
Molly's chamber's gonna change your mind You want it, well she's got it  
Molly's chamber's gonna change your mind  
She's got your, your pistol  
Molly's chamber's gonna change your mind You want it, she's got it  
Molly's chamber's gonna change your mind  
She's got your, your pistol
