Twist It Up

Smk

Oh yeah, everybody
Oh oh oh oh
Aye aye aye aye
Oh, aye, aye, oh
Man, gonna twist it up
Gonna twist it down
Gonna twist it out
Gonna twist it 'round
Hey girl, let's twirl, let's twist
Gonna shake it up
Gonna break it up
Gonna whip it up
Gonna twist about
Hey child, go wild, let's twist
So baby go go go go
Like it's all brand new
Oh, baby go go go go
I got my eyes on you
Gonna twist it up
Gonna rip it up
Gonna run it down
Twist it 'round and 'round
Let's shout, work out, let's twist
Everybody
Oh oh oh oh
Aye aye aye aye
I like a chumba
A borrow your zoot

Oh, aye, oh, aye
Man, gonna twist it up
Gonna twist it down
Gonna twist it out
Twist it 'round and 'round
Let's move, the loop, let's twist
I'm gonna hit the ball
Gonna twist the ball
Gonna do the twist with you now
Gonna twist it all

Hey girl, let's twirl, let's twist
So baby go go go go
Like the hippies do
Oh, baby go go go go
Like it's all brand new
Gonna twist it up
Gonna rip it up
Gonna whip it up
Gonna twist it up
Hey miss, hey sis, let's twist
Everybody
Oh oh oh oh
Aye aye aye aye
I like a chumba
A borrow your zoot
Are you ready
