

# Where Has All the Time Gone?

## Lycia

And then i prevail again, again  
As all these memories pass again  
I look ahead to the new day again  
Please no more dark days, dark days  
Again, again

And from the top of the mountain  
I stare down on new flowers  
And go straight into a new day  
And i see the new flowers  
And i drift down towards a new day  
And i feel like new flowers  
Now i'm on the steps of a new day  
And new flowers, and new flowers
