

# Bittersweet

## Apocalyptica

I'm givin' up the ghost of love  
Endure shadows cast on devotion  
She is the one that I adore  
Queen of my silent suffocation Break this bittersweet spell on me  
Lost in the arms of destiny Bittersweet  
I won't give up I'm possessed by her  
I'm bearing a cross  
She's turned into my curse Break this bittersweet spell on me  
Lost in the arms of destiny Bittersweet, I want you  
I won't let you go  
And I need you  
How I needed you Don't break this bittersweet spell on me  
Lost in the arms of destiny  
Break this bittersweet spell on me  
Lost in the arms of destiny Bittersweet
