Times Like This

Lit

You're the song that's stuck in my head
I try to think of something else
It keeps coming back again
Says she wants to end it
I'll just keep pretendingAnd there you go
Turning up againIt's times like this I need a friend
I'll take a hit and hold you in
Can't live, can't breathe, I'm underneath
It's times like this I need
You here with me, with meThere's a stranger here in my bed
I try to think of something else
All I see is you instead
Says she wants to hang out
I'm just trying to break outAnd there you go
Turning up againIt's times like this I need a friend
I'll take a hit and hold you in
Can't live, can't breathe, I'm underneath
It's times like this I need
You here with me, with meAnd here I go
Turning up againIt's times like this I need a friend
I'll take a hint and hold you in
Can't live, can't breathe, I'm underneath
It's times like this I want you here
It's times like this I need you here with me, with me
