

# Times Like This

## Lit

You're the song that's stuck in my head  
I try to think of something else  
It keeps coming back again  
Says she wants to end it  
I'll just keep pretending And there you go  
Turning up again It's times like this I need a friend  
I'll take a hit and hold you in  
Can't live, can't breathe, I'm underneath  
It's times like this I need  
You here with me, with me There's a stranger here in my bed  
I try to think of something else  
All I see is you instead  
Says she wants to hang out  
I'm just trying to break out And there you go  
Turning up again It's times like this I need a friend  
I'll take a hit and hold you in  
Can't live, can't breathe, I'm underneath  
It's times like this I need  
You here with me, with me And here I go  
Turning up again It's times like this I need a friend  
I'll take a hint and hold you in  
Can't live, can't breathe, I'm underneath  
It's times like this I want you here  
It's times like this I need you here with me, with me
