Boredom

Bristles

Some say they will and some say they won't
Some say they do and some say they don't
Some say they shall and some say they shan't
And some say they can and some say they can't
Alright
All in all it's all the same
But call me if there's any change
Some say there's nothing and some say there's lots
Some say they've started while some say they've stopped
Some say they're going and some say they've been
Yes, some say they're looking and some say they've seen
Oh yes
All in all it's all the same
But call me if there's any change
