Small Talk

Lily & Madeleine

Incoming call
What do I say when he says
Nothing at all
Don't wanna fall
Into a world with no water
Ten stories tallI know that you're not one
For small talk
It's hard to get across
Just what we wantUnsettling
Just how aware I am of
My heartbeat
Surrendering
If you're aware of me then
You better speak
I know that you're not one
For small talk
It's hard to get across
Just what we wantIncoming call
What do I say when he says
Nothing at all
Don't wanna fall
Into a world with no water
Ten stories tallI know that you're not one
For small talk
It's hard to get across
Just what we want
(For small talk)
I know that you're not one
For small talk
(I know that you're not one
For small talk
I know that you're not one)
For small talk
