

Every Chance I Get

T.I.

Real talk, true story

No nuts, no glory

Y'knowmsayin?

Ay dawg, I'ma tell you like thisHey, I'm so raw and I'm so rich

And you so flawed niggaz ain't 'bout shit

I'll take yo' broad, I can fuck yo' bitch

Know that I'm gon' ball every chance I getEvery chance I get, real talk, no shit

Every chance I get, make money on this

I'll take yo' broad, I can fuck yo' bitch

Know that I'm gon' ball every chance I get

Every chance I getThey say it's lonely at the top, but I don't feel lonely

Got my homies out in Hollywood so I don't feel phony

Ain't another nigga colder, cribs all over

Flash in pan, these other rappers catch a number, Coca-ColaI'm exceedin' expectations, you barely meetin'
quota

I give it to 'em straight, you cut it with bakin' soda

You said I ain't zone one, nigga ha, that's a funny one

I'm king like my 3 year old, major like my youngest sonGot one named Domani, so you know what I'm gettin'

Deyjah and neek neek and messiah like daddy, get 'em

Got an angel named Leah here to keep me outta prison

And my partner Jason Geter to help me see about a billionListen, Grand Hustle, best respect this vision

My records sell about a million, but shit that just the beginnin'

What with Club Crucial and Grand Hustle film division

Multiplication to get the paper, I let the clique do the divisionBreak bread, streetcred.com makin' a killin'

Plus a king of oneself, high fashion, I'm flashin'

I'm, ready for whatever though, trained to go you better know

Put dick up in whoever hoe, let 'em knowHey, I'm so raw, and I'm so rich

And you so flawed niggaz ain't 'bout shit

I'll take yo' broad, I can fuck yo' bitch

Know that I'm gon' ball every chance I getEvery chance I get, real talk, no shit

Every chance I get, make money on this

I'll take yo' broad, I can fuck yo' bitch

Know that I'm gon' ball every chance I get

Every chance I getI gotta thank my lucky stars 'cause it came so far

Dope game, rap game, 'bout the same so far

Brag about your lil' Benz, nigga, that ain't no car

I got some shit in my garage that requires a chauffeurHigh as gas is, the country at war and people are starvin'

And I pay a million dollars for Ferrari's, retarded, huh?

Sorry bruh, been a dick that been ballin' since it started up

Season hoe, get 'em all to fuck
'Cause they know this dough stack tall as fuckNah, it ain't that I'm rich that they hate so much
Least I could do it, not rub it in niggaz face so much
So I'm tryin' now while I'm rhymin' not to brag about the island
Or the crib in Hawaii where all the walls slide inHouse is wide open, we could bring the outside in
I think you should hear about it, but fuck it I'll be quiet
I just spit it how I live it homie, I don't be lyin'
Would it make you feel better if I put my pockets on the die?If I made less money, started to dress bummy
Would the haters and the critics have more respect for me?
Should I downgrade the crib and the way I live?
Now how about I don't and we just say I did, niggaHey, I'm so raw, and I'm so rich
And you so flawed niggaz ain't 'bout shit
I'll take yo' broad, I can fuck yo' bitch
Know that I'm gon' ball every chance I getEvery chance I get, real talk, no shit
Every chance I get, make money on this
I'll take yo' broad, I can fuck yo' bitch
Know that I'm gon' ball every chance I get
Every chance I getAy say homeboy
It's real talk comin' at you live and direct homeboy
