

Travis County

Gary Clark Jr.

Travis County took my picture
But no, I didn't smile
They told me I was gonna be here
For a pretty long while

One day I was walking down the street when
I should've been walking down the hall
Heard a voice calling out, saying
"Ooh, where you going, y'all?"

Now before I could've gathered my thoughts
I turned around and I saw the cops
Oh boy did my heart sure drop when
He told me I better stop

Ooh, ooh

Oh, they put my hands in cuffs
Oh boy, they even locked me up
When I thought that it was all
Till they started taking all my stuff

Now I'm sittin' 'round in my cell
Just a looking at the wall
I didn't even get to make
My one phone call

After I was just sittin' 'round
You know I started getting down
When they let me out
All I could do is scream and shout
