Unite Us (Kris Menace Remix)

Pnau

It's fifteen to five, I'm still wide awake
Something's on my mind, I can't hide away
There's a sandy road down a single track, I left home again
And the chance's that I won't be back for some time, babe
I'll kiss the ground at your feet, we'll rise up from the ashen heat
You'll write the reason to go on, I'll turn your lullaby into songUnite us, baby I can feel a change, Don't we all feel the same?
"Come together" Lennon sang, Unite us, Something that you can't erase
Let the vision never fade, Come together, Now to stayUnite us, unite us, unite us, unite uniteLivin' on your scent I kept for 20 days
There's a million moments left burnin' on the highway
I'll hide the reigns, lost control, You'll light the sky to lead us home
My sweet bullets right the wrong, I'll turn your lullaby into song
Unite us, baby I can feel a change, Don't we all feel the same?
"Come together" Lennon sang, Unite us, Something that you can't erase
Let the vision never fade, Come together, Now to stayUnite us, unite us, unite us, unite uniteYou'll write the reason to go on, I'll turn your lullaby into song
Unite us, baby I can feel a change, Don't we all feel the same?
"Come together" Lennon sang, Unite us, Something that you can't erase
Let the vision never fade, Come together, Now to stayUnite us, unite us, unite us, unite unite
