

The Champion In Me

3 Doors Down

You said that mountain's too high, you said that ocean's too wide
I've heard all new beginnings started with an end
Watch this journey I take, turn into something I make
Please watch closely, you may not see this again Cause I know I, I was born to be this way
Everyday I try and I'll do everything that it takes
To become the one what I've always wanted to be
Watch right now and you will see the champion in me
The champion in me When the others cower, I'm in my finest hour
We are champions created by design
While I remember falling, I hear these dreams keep calling
I work so hard, so long, I'll take it what is mine Cause I know I, I was born to be this way
Everyday I try and I'll do everything that it takes
To become the one what I've always wanted to be
Watch right now and you will see the champion in me
The champion in me
Champion, champion in me, champion, champion Cause I know I, I was born to be this way
Everyday I try and I'll do everything that it takes
To become the one what I've always wanted to be
Watch right now and you will see the champion in me
The champion in me
